ABOUT US :

One of Bengaluru's finest educational institutions, Surana Evening College of Commerce and Management was founded by the GDA Foundation in the year 2011. The commerce and management courses in our college has the avowed goal of "Learn-While- You-Earn". At the undergraduate level, the college provides great education at an affordable cost. As more students choose professional programs like CA, CMA, and CS, evening colleges enable them to earn a BCom degree while also enabling them to complete their professional studies during the day.
